Company Overview:

Experis, established in 1968, is a full-service professional resourcing and project solutions firm, delivering comprehensive workforce solutions while providing candidates and clients with consistent, flexible, and quality employment solutions. These solutions help our clients balance workload with headcount, find experts to spearhead projects, and supplement their workforce with skilled information technology (IT), engineering, finance, healthcare, and marketing professionals to name a few.

Year Founded:

Experis's parent company, ManpowerGroup, was founded in 1948

Core Services:

- Professional Resourcing
- Permanent Placement Services

What Makes Us Different:

- Recruitment and Assessment – By leveraging our trusted brand, industry knowledge and expertise, we identify the right talent in the right place to help our clients quickly access the people they need when they need them. Through our industry-leading assessments, we gain a deeper understanding of the people we serve to correctly identify candidates' potential, resulting in a better cultural match.
- Training and Development – Our unique insights into evolving employer needs and our expertise in training and development help us prepare candidates and associates to succeed in today's competitive marketplace. We offer an extensive portfolio of training courses and leadership development solutions that help clients maximize talent and optimize performance.
- Career Management – We understand the human side of business to help individuals and organizations unleash human potential to enhance skills, increase effectiveness and successfully manage career changes and workforce transitions.
- Outsourcing – We provide clients with outsourcing services related to human resources functions primarily in the areas of large-scale recruiting and workforce-intensive initiatives that are outcome-based, thereby sharing in the risk and reward with our clients.
- Workforce Consulting – We help clients create and align their workforce strategy to achieve their business strategy, increase business agility and flexibility, and accelerate personal and business success.
